

FOXLEY ATELIER

fine art instruction

STUDIO POLICY

The growth for this studio has been so exciting! It is literally a dream come true for me, and I appreciate every one of you for being a part of this growth! This Policy helps me to provide you with better materials and help to more smoothly run the business-side of things so I can focus on providing your young artists with the best instruction possible.

TUITION

A non-refundable charge of \$120 per month saves your child's seat in your chosen class. Due to limited seating in each class I cannot give refunds for missed classes, the studio fee is *not* determined on price per class or hour but rather the overall reservation of your child's seat month by month. 2 weeks notice before terminating classes is greatly appreciated.

LATE ATTENDANCE & MAKE-UP

Tuition deductions will not be made for late attendance or missed classes. I am happy to arrange make-up classes within 3 weeks of missed class.

HOLIDAYS

Classes will not be held on major national holidays. I will notify students 2 weeks in advance for any national or personal holidays I will not be holding classes for.
